"I agree about the best investment I ever made. I bought a full set in 1970 when I graduated from high school. It was one of the first items for my hope chest. I got married in 1973 and they are the only knives I ever used. I have had them sharpened a few times, but they are still in good shape."

Cutco Champion – Roxanne Lamb

"Having Cutco Knives has been magical in my kitchen. The handles are amazingly comfortable in my hands. The razor-sharp blades glide through everything. I started off small and my set continues to grow... knives, shears, accessories and more. An added bonus is having the sheaths so they can travel with me. My kids love them as well, so I started them off and add a piece to their set every year as a part of their gifts from Santa. My friends all know that Cutco is my jam when it comes to kitchen must-haves. With Cutco, cooking and my meal preparation is easy and fun."
