"I am a new convert to Cutco as I recently inherited a set from my mother. My two sisters have had Cutco Knives for years and I always thought, 'why should I spend so much just for a knife?' Well, goodness, now I finally realize what I have been missing out all these years! I love the cutting boards, the everyday knives, the 4" knife and the Boning Knife. I use the Vegetable Knife several times a day. I feel like the luckiest person in the world to have such a magnificent set of beautiful knives!"

"My first Cutco Knives were purchased from a local representative who was very informative on the product and sold us. I bought the Cheese Knife, Hardy Slicer, 5" Santoku. We were amazed from the start and still amazed today. Since then I've purchased a Carver and a Trimmer for my meat prep and finishing slices. With these knives, I got what I paid for and now I'm a Cutco customer for life, literally with their lifetime warranty. Some added bonuses are that they sharpen the knives for free, and they are made right here in the USA."
